Flyers Skate Zone is dedicated to the development of youth hockey. Our Flyers Future Stars program is designed to provide opportunities for hockey players ages 6 and under to participate and have fun. The program provides participants on-ice instruction once a week in an effort to give the young hockey player an opportunity to learn the game in a fun, relaxed environment.

The focus of our Flyers Future Stars program is fun and participation. Each week players are encouraged to develop their skills during practice and then demonstrate these skills in competitive situations during cross-ice scrimmage games.

The Flyers Future Stars program is the start of the progression in our Hockey Skills Development program. Flyers Future Stars is a feeder program for those players wishing to move on to the Cross Ice League, House League and eventually a competitive travel hockey club. Flyers Skate Zone offers opportunities for ALL players of varying ability levels to participate and have fun playing the great game of hockey!
