The FLYERS SKATE ZONE has developed a progressive hockey skills development program that is designed to provide skills instruction for children ages seven through thirteen. This program has been designed as an introduction to hockey focusing on basic skills, with an emphasis on having FUN!

Weekly clinics teach the fundamental skills of skating, puck handling, passing, shooting, and game situations providing the participant with the opportunity to develop confidence and a positive self-image while experiencing achievement throughout the program.

The Learn to Play Hockey Program has been designed to prepare participants to move into a recreational hockey league, such as our Flyers Skate Zone Limited Travel Hockey League.
