Learn to Play Hockey

Flyers Skate Zone is dedicated to the development of youth hockey. Our Learn to Play Hockey program is designed to provide opportunities for new hockey players to participate and have fun. The program provides participants on-ice instruction once a week in an effort to give the young hockey player an opportunity to learn the game in a fun, relaxed environment. The focus of our Hockey Skills Development programs is fun and participation. The Learn to Play Hockey program is the first step of the progression in our Hockey Skills Development program. The Learn to Play Hockey program is a feeder program for those players wishing to play in our Limited Travel Hockey League, eventually leading to a competitive travel hockey club.
