

Advertise at the Flyers Skate Zone with Zamboni Wrapping

The Zamboni is the machine used to resurface the ice before, after hockey games, and other on-ice activities. The Zamboni attracts attention each time it appears on the ice. Photos are also taken at each birthday party.

Contact **Adam Cantiello** at (215) 952-7355 / acantiello@comcast-spectacor.com for any advertising/ sponsorship inquiries.
