

## Advertise at the Flyers Skate Zone with Banner Signage

Here's an economic way to advertise businesses and organizations that will fit just about any budget. These large, attractive banners will be on display in prominent positions in the arena throughout the year. This serves as an excellent way to display your company logo, products and/or services.

**Small vinyl banner 4'x 7'**

**Large vinyl banner 12'x 20' (Virtua Health banner shown above)  
(Not restricted by these two sizes)**
