

2010-11 Season Information

Flyers Skate Zone is proud to once again offer another example of our commitment to youth hockey - the AC Sharks Youth Hockey Club. This organization was created to utilize our many and varied resources to provide players of all levels and ability an opportunity to participate in a quality travel hockey organization.

The AC Sharks Youth Hockey Club is a member of the New Jersey Youth Hockey League and USA Hockey, and anticipates fielding teams at AA, A and/or B levels in each age group. Final level determinations will be made following the tryout process.

Player Evaluation & Selection

Player Evaluations begin April 20th for Mites through Midgets and are open to all youth hockey players. **Registration is required.** Players will be assigned to a team based on their performance during the evaluation process. There will be a separate tryout fee, and all players will receive a practice jersey with a number that is theirs to keep.

Players will be assigned to a team based on their ability level. Our staff will endeavor to place players at an ability level that will allow them to compete but be challenged to improve their game. We will strive to not place a player in a situation where he/she is overwhelmed.

Player Development

Jared Siganuk and Lance Rosenberg will serve as co-Directors of Player Development for the AC Sharks organization. As such, Jared and Lance will be on-ice instructors during portions of team practices on a bi-weekly schedule, sharing their professional experience in playing and coaching with all of the Club's players and coaches. Their focus will be primarily on the development of each player's individual skills including skating, puck control, passing, shooting and checking.

Goalie coaching- Goaltenders will receive individual training twice each month during practices. In addition to the practice training, goalies will also receive one hour of specialized goalie training focusing on goalies specific skills and agility training. Lance Rosenberg will be the Atlantic City Sharks goalie coach.

Coaching

Our goal is to offer the best and most qualified coaches in the area to teach hockey to our children. All coaches will be required to submit a coaching resume and application to our Director of Coaching, Lance Rosenberg. The Coordinator will chair a **Coaches Selection Committee** to review all applications and resumes and invite the most qualified coaches to go through the interview process. Coaches will be selected through this independent process based on their **Experience, Hockey Educational Accreditation Level achieved, Personal Coaching Philosophy**, and any other qualities that apply.

All coaches selected are required to attend an annual seminar and **achieve the minimum coaching education accreditation required by USA Hockey** for their respective age level coaching. **The AC Sharks Youth Hockey Club will reimburse all Head Coaches for their USA Hockey CEP registration fees.** Coaches will be encouraged and trained to teach our children the basic skills required to play hockey and put each player in a position to truly enjoy the game of hockey.
