

Basic 1 through Basic 8
(Ages 6 & older)

The Basic Skills Program is designed by U.S. Figure Skating to be the best beginning ice skating program that serves the needs of both the recreational and competitive skater. The curriculum is designed to keep skaters enthusiastic about learning from the time they begin lessons until the time they reach their goals. Whether their goal is to achieve Olympic fame or simply enjoy the recreational benefits of skating, the Basic Skills Program is the place to start! Skaters are placed in levels based on their ability. Six-week skating classes continue from Basic 1 through Basic 8.

Snowplow Sam for Tots
(Ages 3-5)

Ages 3-5 are placed into the US Figure Skating Snowplow Sam program. This program is designed to help pre-school age children develop the preliminary coordination and strength necessary to maneuver on skates.

Questions frequently asked

When should I enroll? Enroll at least one week early to allow us to prepare for proper coach to student ratio.

What time should I arrive? Allow at least 15 minutes prior to class to get your skates on.

What should I wear? Layers of clothing will help the skater allow freedom of movement and gloves are a must! If you are under the age of five we request a helmet be worn (a bicycle helmet is fine)

Practice times during Learn to Skate –parents may skate during your child’s practice time at an additional cost. Skaters Only Please!

As a parent what should I be doing? We encourage the parents to sit in the stands and watch. Please do not sit in the player’s benches near the ice.
