

## 2020-21 Season Information

The AC Sharks Youth Hockey Club is a proud member of the New Jersey Youth Hockey League. We very much look forward to offering another youth hockey season for the members of our community in the Atlantic City region.

## Player Evaluation & Selection

As you may have been informed, the AAHA is moving forward with permitting Member Clubs to offer Player Agreements without a tryout at this time, to allow for the planning of the 2020-21 season. This planning includes determining team counts, ice requirements, scheduling, uniform orders, etc.

Following this decision by the AAHA, the AC Sharks organization will begin offering Player/Parent Agreements on June 11th. Advance Registration is required in order to be considered for one of our teams. There is no charge to register online and information can be found on our website, along with the link to register at: <https://www.flyersskatezone.com/hockey/hockey-clubs/atlantic-city-sharks>

We strongly encourage each interested family to be proactive and contact the head coach at the age level where you are interested in playing. This process is new for everyone, so it is in everyone's best interests to communicate your interest and ensure that you are properly considered for the team you prefer to play for.
