LITE TRAVEL HOCKEY

Lite travel is a recreational level of hockey and is a great way to continue the process of learning and improving your skills along with game-play development. Games are played within a shorter distance between ice rinks, and skill levels are intended to be age and skill appropriate. This is a very important next step in your child's hockey career, and serves as a great introduction to Travel Hockey!

The Atlantic City Sandsharks will be playing in the DVHL (Delaware Valley Hockey League) Lite Travel Division.
